Welcome to our first email newsletter of 2010. Our 25th Anniversary Expo in 2009 was a huge success. A record number of visitors flocked to the Expo from all over Queensland and interstate and the Sunshine Coast turned on some perfect weather to welcome them. All of our exhibitors, landscapers, gardening personalities, garden clubs and all the behind the scenes volunteers put in a huge effort and they were well rewarded by the fantastic feedback we had from you. We hope you enjoyed your visit to the Qld Home Garden Expo and that you can join us again on 9-10-11 July, 2010

The Buzz of excitement is starting to build as all the plans for 2010 start to come together. We have had unprecedented interest from exhibitors this year and many areas of the Expo are already booked out. This means there will be some great new and innovative garden products on display. There will also be several new nurseries joining the already impressive list and the range of plants will even be bigger than before. Everything from carnivorous plants, ferns, native plants, bromeliads, orchids, bamboo, herbs, water plants, fruit trees and many more will be on display and for sale. All of the Nurseries represented at the Garden Expo are members of the Nursery and Garden Industry Qld and have a wealth of expertise in their specialties. They are happy to answer all your questions and give expert advice.

The Good News. There has been no increase in ticket prices for the 2010 Garden Expo. With all the features you have come to enjoy in the past and several new ones this represents excellent value for a great day out. For all the ticketing and visitor info [click here](#).

A Great Gift Idea. The Expo 3 Day Gold Pass is a fantastic gift idea for gardening enthusiasts. Gold Passes not only represent great value but also have a number of additional benefits such as an exclusive Gold Pass area with free tea and coffee making facilities, free product samples and the opportunity to share a cuppa with our gardening personalities.

Gold Passes are presented in a Lanyard and can be Pre-purchased. [Click here](#) to visit our website and download the Order Form or email info@homegardenexpo.com.au for more information.

Group Tours and Travel Options. This year Queensland Home Garden Expo is working with a number of Tour Operators to make your visit to the Expo even more enjoyable and convenient. If you are planning on bringing a group or would like to join a coach tour, we have some great options on our website. You can contact our growing list of Tour Operators direct or if need more information about groups coming from your area email info@homegardenexpo.com.au. The information on the website will be regularly updated as new groups and tours come on board. Group travel is a great way to take the stress out of driving, minimise your carbon impact and make some great gardening friends. [Click here](#) for all the Group Travel Information on our website.
